EDUCATION

Lomonosov Moscow State University — Tashkent Branch

2023 – Present

B.S. in Applied Mathematics and Computer Science • 4th Year • GPA: 3.7 or 4.7

- ▶ Relevant coursework: Algorithms & Data Structures, Discrete Mathematics, Linear Algebra, Calculus
- ▶ Conducted independent research and submitted a paper on the Branch Without Bounds algorithm applied to the Simple Plant Location Problem (SPLP) — currently under peer review

RESEARCH

Paper: Branch Without Bounds Algorithm for the Simple Plant Location Problem (SPLP)

Independent Research • 2025-2026

- ▶ Authored and submitted an academic paper on the Branch Without Bounds method applied to the SPLP — currently under peer review
- ▶ Applied the algorithm to the SPLP, a classic NP-hard facility location problem
- ▶ Analyzed algorithmic complexity and solution quality compared to brute-force approaches

Research on Branch and Bound Algorithm for the Asymmetric Capacitated Vehicle Routing Problem (ACVRP)

Independent Research • 2026

COMPETITIVE PROGRAMMING

ICPC Uzbekistan Regional Qualifications

2024

International Collegiate Programming Contest

- ▶ Placed 46th out of hundreds of participating teams in the Uzbekistan qualifier
- ▶ Successfully qualified for the next stage of the ICPC regional competition

TECHNICAL SKILLS

Languages	Python, C, C++, HTML
Concepts	Object-Oriented Programming (OOP), Algorithms & Data Structures
Databases	MySQL
Tools	Git, GitHub
Languages	English , Russian

ADDITIONAL INFORMATION

- ▶ Strong mathematical foundation from Applied Mathematics curriculum
- ▶ Independent researcher with experience writing and structuring academic papers
- ▶ Active competitive programmer with ICPC qualification experience
